

Adult Ministry

Life Development Hour is held Sunday mornings from 9-10. We offer a variety of classes:

Continuing Education classes offer various topical studies that enable you to handle life's challenges with biblical principles and prepare you to share the hope you have in Jesus Christ.

Life Basics is Faith Community's membership class. It is also helpful for those interested in a personal relationship with Jesus Christ. They'll learn what it means to be Christian, what the church is, how God designed you to fit in, and how to share the good news with others.

Women's Ministry consists of Womanhood studies, Secret Sisters, and 4F fellowship events. The goals are to connect with one another in a friendly and informal setting. They also share lives, grow spiritually, build deep relationships, and bring God's living Word into women's lives.

Men's Ministry exists to introduce men to their true identities and train them to be men of good character who are committed to fulfill the work of the kingdom.

Small Groups are the place you can connect with others in a similar life stage. These groups cover topical issues and biblical studies.

Worship Ministry leads the church body in worshipping Jesus through praise team, decorating, and sound/video teams.

Kids Ministry

Birth—Toddler Program

These little ones receive God's love with caring adults through age-appropriate activities. This is available on Sundays.

Children's Programs

These programs are designed for kids aged 4 through 5th grade. Younger or older kids are welcome if the material suits their learning needs.

Sunday Worship at 10:30: Children worship with parents then are dismissed to the lower level after the offering. They're led into God's Word with the help of GO Curriculum's *Journey Today Show*. Adult leaders help reinforce God's truth with hands-on activities. Preschool-aged children are introduced to concepts through story and crafts.

Wednesday Evenings from 6-8: With lots of play and active learning, kids are encouraged to dare to live out their faith from the inside out: own it then show it. The emphasis is on building relationships with God, caring adults, and their peers.
